

Marie Collins, behind the bar before the introduction of the "No Shoes, No Shirt, No Service" rule.

Welcome to the Beach Bar!

In July of 1946 Harry Truman was president, minimum wage was 75¢, gas was 15¢ a gallon, a loaf of bread was 10¢ and my grandparents Harry and Marie Collins opened the doors of the Beach Bar on Ocean Beach at Clark Lake. Over the years we have added on and expanded many times, but our commitment to quality has never changed. We serve a limited menu and we try to make everything on our menu as good as it can be. We want you to feel good about what you have eaten. We have no frozen ingredients and no fried foods. Our sandwiches, croissants, salads and pizzas are made as ordered, not pre-made.

I would like to thank my late grandfather Harry and late grandmother Marie, without them there would be no Beach Bar. Most of all I would like to thank my late father Tom and mother Peggy for making the Beach Bar what it is today. I only hope that the third generation ownership can continue with the tradition of good food, good friends and good fun!

So sit back, relax and enjoy the atmosphere.
